IOPE FOR CABLE

The Bill is Added to the Sandry Civil Measure.

Material to be Made in the United States - Communication with Hawail-The Rates.

WASHINGTON, February 20. - Sena tor Frye's amendment to the sundry civil bill, which provides for the building of the Pacific cable by an American corporation, with a subsidy from the Government, will be amended in the Appropriation Committee to insure the Appropriation Committee to insure

the manufacture of the cable, which from San Francisco; 1600 tons general will be laid, in this country. The committee to-day met and reported the amendment favorably with an addition to the time limit, which makes it necessary for the company securing the right to lay a cable to have the line Kaunakakai. to Honolulu completed within one year after the contract is let. It was this Kahana. provision which at first militated against the letting of the contract for the cable in this country. It was held by some members of the Senate that it would be impossible for any concern in this country to make the cable and put it aboard ship as quickly and cheaply as can be done in England. in this connection a Senator, who has been contending for this plan in the committee, said San Francisco builders the wharfs of the company. With this assurance Senator Frye said he would he had been too his plan, which will make it compulsors for the company to buy its cable in this country, if it is found by the War Depart-ment that it can be made within the time required, and of as good quality Hackfeld & Co. as is demanded. In this form it is likesable amendment.

NEW YORK, Feb. 16.- In the course of an interview here today President Scrymser, of the Pacific Cable Company, said that the Eastern Cable last for the Sound. Company, an English corporation, by Stmr. Mauna 12 reason of vested rights, would have a and Kau. monopoly, as far as telegraphic cable are concerned, of the entire Asiatic coast and all Pacific Islands now owned by Spain or formerly under the jurisdiction of that country until the year 1940. He was of the opinion that no American cable company or the United States Government could obtain land-ing rights in the Ladrones, Philippines, at Hongkong or at any point on the Asiatle coast without obtaining the consent of the Eastern Telegraph Com-
